Hello,

I am writing this letter to apply for the Content Writer position.

I am interested in this position because it allows me to continue my career in marketing. I have considerable experience in marketing, written communication, trend research, and managing projects. I currently create mobile and email content such as blogs, video scripts, emails, and website pages.

I am the perfect fit for this position because I work well in a team atmosphere and independently. I want a collaborative team environment that helps foster new ideas. I believe healthy collaboration leads to faster employee growth. I work well with little direction in ambiguous situations but also believe in constructive criticism and guidance when needed.

I am easygoing with a strong work ethic and expert skills in copywriting, communications, and content creation. My most recent experience is as a Marketing Copywriter at a marketing agency in Rolling Meadows, IL. I helped plan marketing campaigns and write blog posts, email blasts, social media posts, video scripts, and landing pages.

Thank you for your time and consideration. I am very interested in this position and look forward to hearing from you!

Sincerely,

Zach Fulcher
